- 3. If you require accommodation for this meeting including but not limited to translation services, hearing assistance or accessibility please contact the Library Director at least four (4) hours prior to the start of the meeting.

Public Safety Police & Fire

FIRE CHIEF

401 East Milwaukee Avenue Storm Lake, IA 50588

January 3, 2022

Ms. Elizabeth Huff, Library Director 609 Cayuga Street Storm Lake, IA 50588

Ms. Huff, Today I was able to make an in-person evaluation regarding the exit hallway and proposed office space addition requested by the Witter Gallery. The space in question is a pre-existing exit, with the next closest exit located at the main entry to the library. I have reviewed the NFPA 101, Life Safety Code regarding this request.

NFPA 101 specifies the travel distance to reach an exit. This is an extremely important feature since a person could be exposed to fire or smoke conditions during the time it takes to reach an exit. A general rule is the maximum travel distance to at least one exit shall not exceed 150 feet in buildings not sprinklered or exceed 200 feet in buildings protected throughout by an approved supervised sprinkler system.

In no case shall access to an exit be through kitchens, storerooms, restrooms, workrooms, closets, bedrooms, or similar spaces, and exit access doors leading to exits must be designed and arranged to be clearly recognizable.

Based on the excerpts from the NFPA 101 Life Safety Code referenced above, construction of office space in the exit corridor would not be permitted. If you have any questions, please feel free to contact me.

Thank you,

Glenn M. Schlesser

Fire Chief

CC: S. Olesen, C. Chambers, K. Navratil

Library Board Meeting, City of Storm Lake, January 10, 2022, 4:00 p.m. hybrid and telephonic due to the Pandemic

Present: Board President Mary Kay Hudspeth, Jim Eliason, Sarah Freking, Sue Lyngaas and Barb Wells. Also present, Elizabeth Huff, Library Director; and Dana Larson, Pilot-Tribune.

President Hudspeth called the meeting to order at 4:00 p.m.

Disclosures by Board Members - None

Agenda – Moved by Board Member Lyngaas to approve January 10 Agenda. Seconded by Board Member Eliason. Vote all ayes. Motion carried.

Public Hearing - None

Witter Gallery Report - None

Approval of Minutes – Moved by Board Member Eliason to approve December Minutes. Seconded by Board Member Freking. Vote all ayes. Motion carried.

Director's Report – The Director sorted book donations from the Elementary School: library's youth collection, Friends book sale and boxes to county libraries containing multiple copies to help lessen pandemic learning loss. There were no questions on the bar charts or ledgers. The Friends received a \$1000.00 anonymous Foundation donation. The Teen Corner needs a compatible game console for the Smart TV and games to go with it and the Director will do more research. Memorials have been received for Terence Stull and Donnabelle Sievert. The library's website has gone live. City Council is waiting for the Architect's timeline for the library renovation. Reimbursement for the ARPA purchases (digital TV and air purifier) was deposited.

Approval of Bills – Moved by Board Member Freking to approve January Bills. Seconded by Board Member Eliason. Vote all ayes. Motion carried.

Gallery Agreement Committee – Board President Hudspeth read aloud the Fire Chief's letter regarding the Gallery's request for the Trustees and City to build gallery offices in the Fire Exit Hallway. Chief Schlesser cited NFPA 101 Life Safety Code therefore office space in the exit corridor is not allowed.

Library Board Member Requested Items - None

Adjournment – Moved by Board Member Lyngaas to adjourn meeting at 4:25 pm. Seconded by Board Member Freking. Vote all ayes. Motion carried.

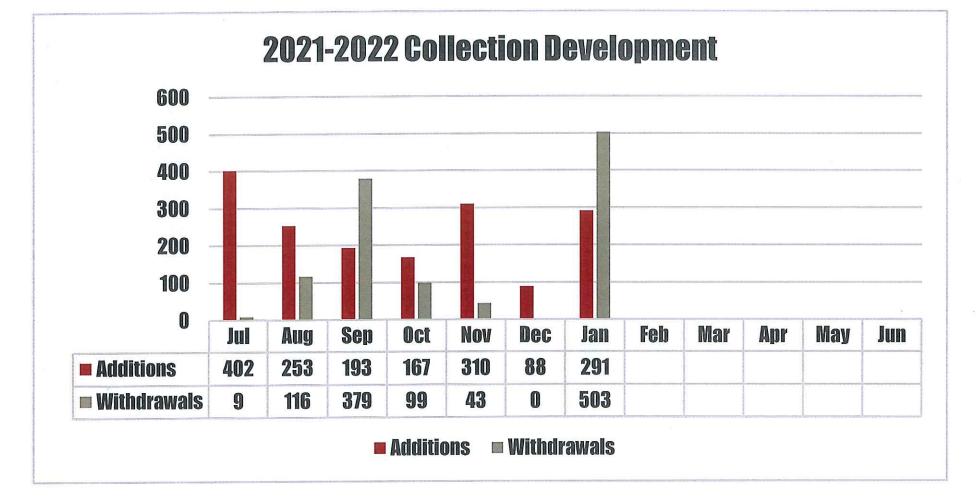

Elizabeth Huff, Library Director - Please note the above is an unapproved draft of minutes and will be approved by the Board of Trustees on February 14, 2022.

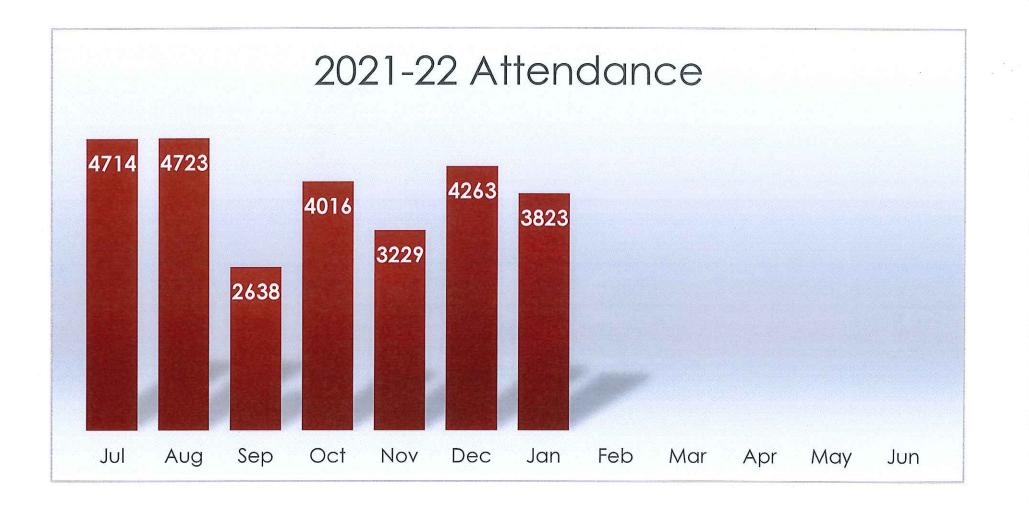

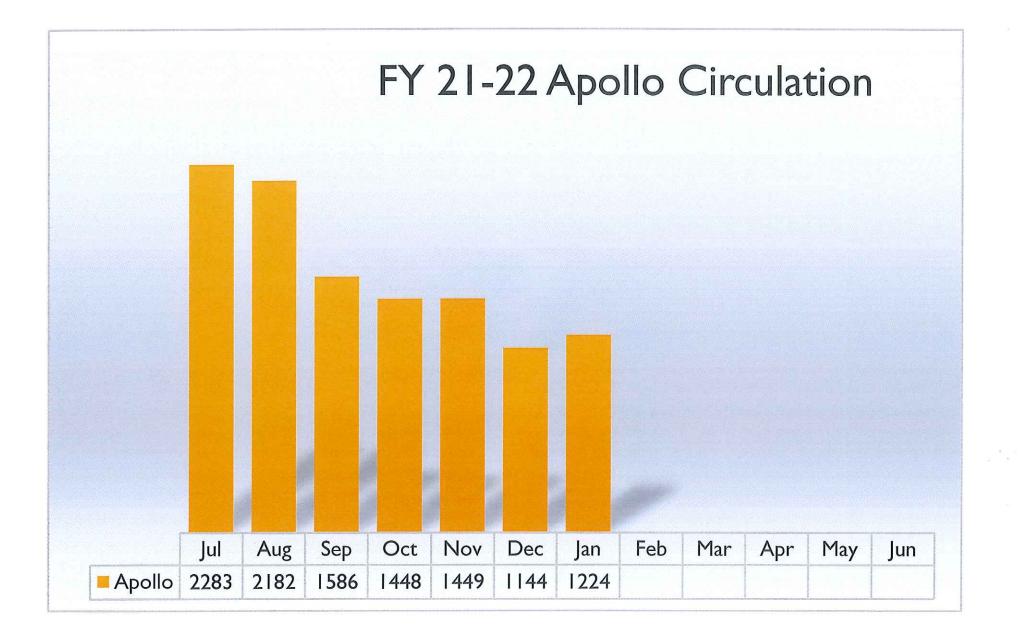

- January 11 Bills submitted to Tyler Gibbins, City Accountant
- January 11 Zoom Department Head Meeting
- January 12 Sioux City: Barnes & Noble, Menards & Loews (storage units)
- January 13 Facilitated Hybrid Mystery Book Club
- January 13 Board minutes submitted to City Clerk
- January 14 Closed at 4:30pm due to blizzard
- January 15 Saturday open: slow foot traffic
- January 17 Zoom Department Head Meeting
- January 17 City Council Meeting
- January 18 Book Drop Room Ceiling leaked from melting snow: 4 books damaged,

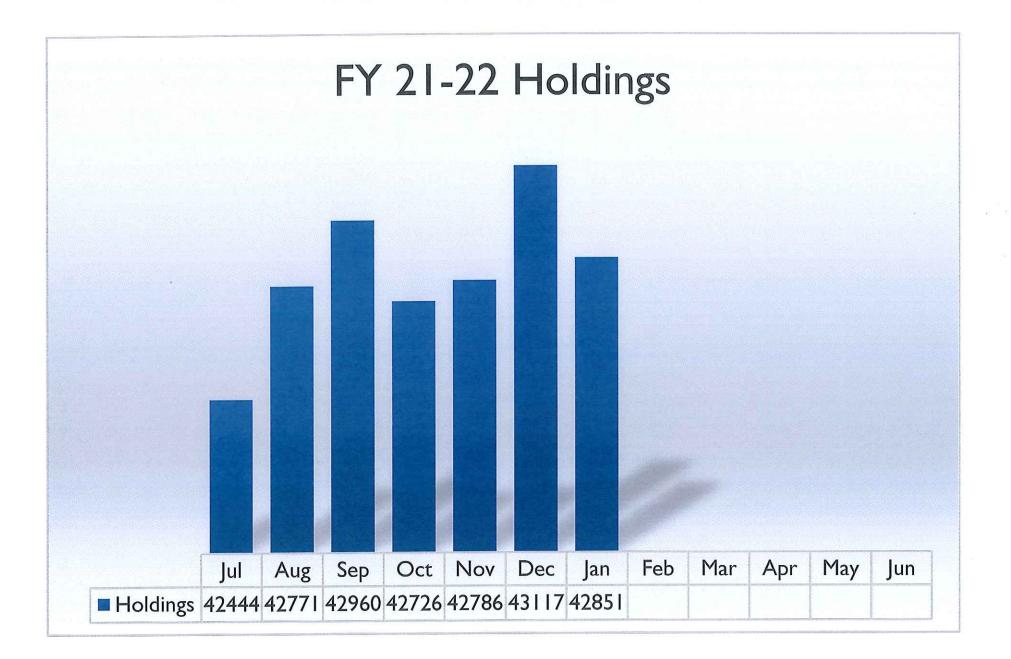

Public Works and Scott Olesen scooped out roof snow, outside temperature 37 degrees Fahrenheit. History of ceiling leakage in same area, previously fixed by Taylor Contracting (no longer in business).

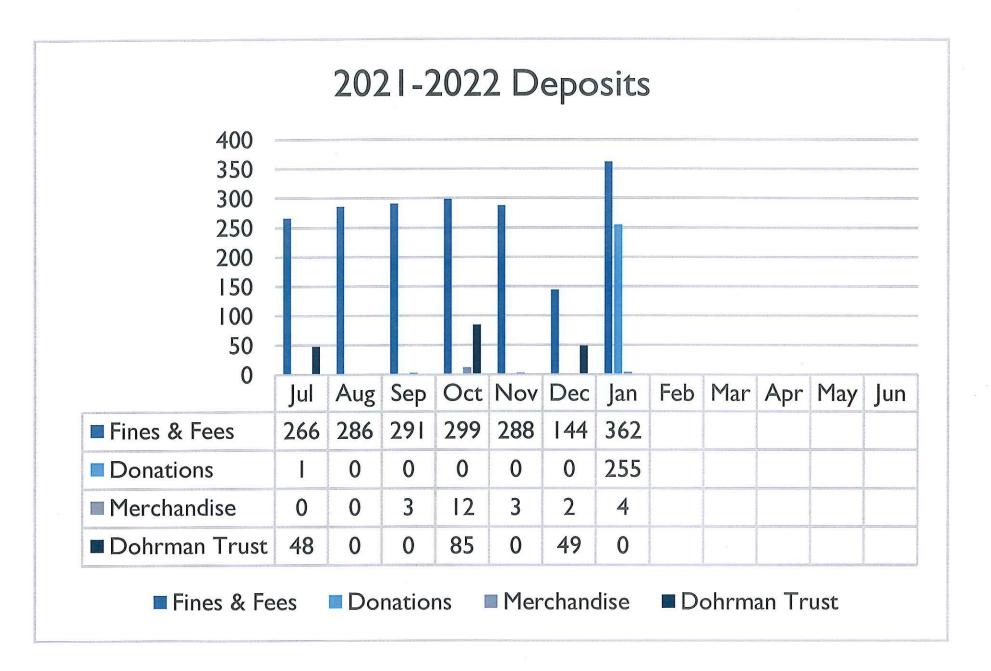

- January 19 Facilitated Hybrid Knit One
- January 19 2023 Budget Meeting, City Hall
- January 19 Modus Engineers Des Moines 11AM-3PM, HVAC (electric & mechanical)
- January 19 Scott Olesen, City Hall, short visit with Modus Engineers
- January 20 ILOC all day State Library webinars
- January 21 Staff Meeting
- January 24 ALA Youth Award winners book orders
- January 25- Collection Development
- January 26 Storage Room sorting
- January 27 PQL visit to review lighting
- January 28 Storage room cleanup
- January 31 Cataloged materials
- February 1 Monthly reports
- February 1 Free child toothbrushes give-away
- February 2 Hybrid Knit One
- February 2 Friends Board Meeting
- February 3 Preschool Story Time, Valentines
- February 3-4 Cataloged materials
- February 4 Timecard approvals
- February 7 Department Head Meeting
- February 7 City Council Meeting Budget Workshop
- February 8 Storage Room sorting
- February 8 Trista Peitzman, IowaPBS, materials okay for April distribution
- February 9 Colombia Book Fair Spanish book shipment arrived
- February 9-10 Phones updated, Rebnord

The quality of our environment is everyone's responsibility. Be a leader, do your part to change our environment for the better.

Implementing this energy saving project, will cut the production of harmful emissions and reduce the amount of natural resources used in the production of the electricity saved.

According to the Environmental Protection Agency (EPA), each Kilowatt Hour usage of lighting translates to the production of approximately 1.6 pounds of carbon dioxide, 5.3 grams of sulphur dioxide and 2.8 grams of nitrous oxide.

Total	kilowatt	hours	saved

Scope

It was our hitent to survey every possible opportunity for lighting energy savings in your facility. However, due to the very nature of the process there may be areas that were not included. Please refer to our space Issing for the exact areas included.

PQL proposes to provide a complete turnkey lighting retrofit project limited to the spaces and quantities as described herein and as listed on our space list. The voltage of your existing features is based on 120-277v in all areas. Additional cost from this project resulting from count variances, change orders, and/or voltage differences will be handled exclusive of this agreement. Due to the capricious of and metal market, prices are subject to sellar's price in effect at time of shipment but no more than 30 days from the date listed above.

Installation Labor

Labor is included in this proposal. PQL assumes all existing wiring to meet electrical codes. No provisions have been made to remedy code deficiencies. Additional labor costs incurred due to code deficiencies, and/or other unforeseen circumstances will be handled exclusive of this agreement.

Labor will be performed during normal business hours. Weekends, Holidays, 2nd or 3rd shift hours may be available at an additional charge. Time to complete scope of work is proposed and presented without outside Interruptions. Delays in completion of scope due to customer or other event outside of PQL's control will result in an increase in project price. Such events will be documented and presented for payment in addition to project amount. Extended delays will be interpreted as work stoppage and if a work stoppage occurs, customer agrees to pay project in full at that point.

Customer will accommodate our work by providing reasonable access directly below each future wherever applicable by moving materials, etc. ahead of our crew

Fixture Cleaning

Fixture cleaning is not included in our proposal, however, our crew will typically dry dust a lixture of bugs and other debris if possible and convenient. Under no circumstances will PQL crew wet clean lighting fixtures.

Permits

Permits have not been researched and are not included in our project price. Any electrical, building or other type of permit or certifications, or registration or other related fees to satisfy local codes or laws will be handled exclusive of this agreement and invoked at costs, what ever they are determined to be.

EPACT Tax Deduction Value

Vour project was designed to be eligible for the maximum tax deduction and will meet all requirements of EPACT 2005. Modifying the design or materials used may disqualify your eligibility to take advantage of this deduction. PQL will provide the conflictation and documentation needed for tax proparation at no additional charge to the project. The guidelines of EPACT 2005 requires a lighting project outperform the ASHRAE Standard 90.1-2001 by at least 25% to achieve \$.30/sqft to 40% to achieve \$.60/sqft. Unlerion tighting project smust also be controlled with an automatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control device to shut off Ephiting within a submatic control de

Lenses

During the course of maintenance of certain type of light fixtures it is expected lenses become brittle and have a tendency to break during the normal handing during maintenance and balast replacements. PQL is not responsible for lenses damaged during the normal course of maintenance. Existing lenses that are found to be broken prior to our retrofit will be reported to the customer's project latson. PQL distributes lenses and can provide them at wholesale if necessary.

Socket Replacement

Lamp sockets will be replaced only if PQL's Master Electrician deems the socket to be unsafe or inoperable. There are no provisions for a wholesale replacement of lamp sockets.

Safety

PQL adheres to it's own detailed safety program. A copy of which will be made available at your request. No time or labor costs have been included in our proposal to accommodate site or facility specific safety programs. Any time required to satisfy those requirements will be handled exclusive of this agreement.

Recycling/Disposal

Recycling is included in this project. Lamps and balasts will typically be packeged by PQL and picked up by our recycler. White metal may be disposed of in a customer supplied dumpster, if a local recycler is not available. Non-PGB balasts may be disposed of in a customer supplied dumpster, if a local recycler is not available. Non-PGB balasts and other packed up by our recycler. Cardboard will be placed into customers recycling containers if available. Holl balances will typically be packeged by PQL and picked up by our recycler. Cardboard will be placed into customers recycling containers if available, otherwise cardboard and other packeding materials including miscleationeous trans generated by the policit will be placed in customer supplied dumpsters.

Merchandise Return Policy

The retention of goods by the Buyer or for the benefit of the Buyer without written objection or RGA number within (10) business days after delivery shall constitute an unconditional and absolute acceptance by the Buyer. Errors in billing and shipping including damaged material must be reported in writing to the PQL, Inc. RGA Department within (10) business days from receipt of the shipment. Fax Number: 952-939-1776 or Ernal at: returns@patighting.com.

All returns require an RGA (Return Goods Authorization) number. Returns that are received without an RGA number will not be accepted. They will be returned to sender freight collect. Receiving an RGA number does not imply acceptance and/or payment of credit; it is only permission to return material for evaluation. If credit is issued, it is only after inspection of the product. For proper credit, all returns must include the RGA number on the outside of the box with copy of the packing sip or invoice. Product must be in original packaging, with all manufacturers papernovik and must be in resetable condition. All returns are subject to a 25% restock fee plus any freight charges, unless the product is defective, or under warranty. Refuesed or undelevenable shipments will be subject to a 25% restock fee in addition to all applicable shipping costs. All sales of made to order/seasonal product are final, unless product is defective; defective; product may be returned for replacement within warranty period.

Rebates

Rebates are paid out with a check from your electric utility provider. The rebate amount was figured based on information available from your utility company. A custom rebate may have been estimated for your convenience if so, the rebate is custom based on the specifications herein PQL's design. It is not transferrable to other project designs or competitors projects. Your utility representative can confirm the rebate amounts. PQL is not responsible for rebate amounts or receipt of rebate.

Sales Tax

Tax has been figured at the amount shown herein the proposal. Total project amount may differ from shown depending on local laws. Sales tax law requires PQL to charge sales tax unless a tax exempt certificate is in our possession. If your project is tax exempt please provide documentation at the time of order to avoid being charged.

Payment Terms

A 33% down payment is required at the time of project purchase order. An invoice will be sent to you within 5 working days upon receipt of signature, which signifies project approval. A second invoice will be sent for 33% the day work is started and final invoice will be sent after work is completed with terms of net due 30 days from invoice date. All labor and material warranty obligations of PQL become void if project is not paid within terms of sete.

Warranty

POL follows all manufacturers' specified warranties. All warranties are void if project is not paid within terms. POL craftsman labor warranty is for six months, however it is limited to installation craftsmanship and specifically excludes material failures, and warranty replacements. A complete warranty and specifically excludes upon request.

With my signature below, I hereby authorize PQL Lighting Specialists to implement the project as specified within this proposal including any changes noted herein.

2X2 LUMINARIES FOR AMBIENT LIGHTING OF INTERIOR COMMERCIAL SPACES

FEATURES

- High Efficiency, Energy Saving
- · Highest lumens per watt light output.
- · Low glare, bright edge-to-edge lighting.
- For covered ceilings only
- · Earthquake proof hooks included

APPLICATION

Ideal for offices, conference rooms, hospitals, lobbies, hotels, classrooms, workshops, cafeterias and other common areas.

LIBRARY DEPARTMENT

The Storm Lake Public Library has 3 full time employees and 3 part time employees, however governed by administrative and actions of five Council appointed members of the Storm Lake Public Library Board of Trustees. The library is associated with the Friends of the Storm Lake Public Library, a fundraising non-profit corporation run by volunteer members. The library has a non-paying tenant, Witter Gallery, a non-profit corporation. The library serves 11,976 current card account patrons of which 1,927 are public Storm Lake student accounts, 1,661 Buena Vista County accounts and 1,353 out-of-county accounts. Of service to the state, the library sends it's requested materials to various libraries. Besides maintaining the City of Storm Lake's library collection; educational and outreach programs, public computers with printing/scan/fax services and general information services are provided to very diverse communities.

REVENUES

The operations for the Storm Lake library budget are covered by the City's general fund with other revenue coming from late fees and services outlined in the City's fee resolution. The library also requests funding from Buena Vista County on an annual basis for support.

Estimated revenues are projected to be \$31,477

FACTORS AFFECTING THIS BUDGET YEAR

At this time, there are no proposed amendments for the library budget.

FISCAL YEAR 2022-2023 BUDGET ADJUSTMENTS

Insurance rates are expected to increase by 12% for general property insurance, worker's comp insurance, and liability insurance. The proposed budget includes a 3% increase for full time employees and the 5% increase in employee insurance will be covered by the City. Adjustments have been appropriately made for cell phones, electric service, gas services, and software subscription costs.

This year's supplemental request include:

Camera Upgrades-

\$13,000

BUDGET OVERVIEW

Total Revenues- \$31,477 Expenses- \$280,396 Personnel- \$159,350 Operations/Maintenance- \$121,046

57% of the total expenses 43%
